

What we need

The ministry couple will have at least five years of experience in the full-time ministry. They will be responsible for carrying out the church’s mission by providing spiritual, pastoral, and administrative leadership to all aspects of the church ministries – teens, campus, young professionals, and family ministries. The two OYC disciples will be able to grow and serve the campus and teens ministry in Kent, which is regarded as the Garden of England.

If you are interested in exploring further, please send a resume (CV) of your ministry experience and references to: london.southeast@icoc.org.uk. We hope to start interviewing in July 2024.

June 1, 2024 • South-East London Region – London, UK

The South-East Region of the London church seeks an experienced full-time ministry couple to lead the region and oversee a new planting in Kent. There is also a unique opportunity for a male and female disciple to do a One-Year Challenge (OYC) with the Kent mission team to work on campus and with teens.

About us

The churches in South-East London and Kent consist of a diverse group of disciples including young professionals, teenagers, marrieds and mature-in-age disciples.

The Southeast ministry comprises 98 disciples including teens, young professionals, and marrieds, led by a faithful and supportive leadership team. The Kent ministry is a dynamic group of 30 disciples, including young professionals who reach out on campus.
