Rocky Mountain School of Ministry and Theology (RMSMT) is pleased to announce a new partnership with Lincoln Seminary at Ozark Christian College (LSOCC) for our students to receive an accredited degree.

The closure of Lincoln Christian University (LCU) on May 31, 2024 created a gap that needed to be closed for our students who desired to receive an accredited degree.

We are pleased to announce that Lincoln Christian University's Graduate school has been transferred to Ozark Christian College and named Lincoln Seminary at Ozark Christian College (LSOCC).

As a result, we have been able to successfully set up an articulation agreement with LSOCC in which our students can transfer many of our courses to receive an accredited degree if they so desire. Please note the details of this agreement on our website.

### Requirements

Students interested in this option will need to meet the admissions requirements of LSOCC and complete the requirements as stipulated
