The RevivAll Newsletter

The Journey to our New Home

FAMILY BUILT, LESSONS LEARNED, FUN JOURNEY

We have an amazing team this year! Everyone was able to land in Moldova safely. We spent 9 days together in Chisinau diving into God's Word, getting Training, and Building Family! We have 60 people from all over coming and serving in Eastern Europe! God's family really is Amazing. These 9 days were faith building and unifying. It's always amazing to see how people from many different backgrounds can come together and become so unified!

We then prayed over the Moldova Team and then the other 4 teams headed towards Romania. We got into Bucharest and got to spend Sunday with the Church, which was an encouraging time. The teams then prayed over the Romanian and Bulgarian Teams. The Bulgarian team got on the overnight bus to head to Sofia. Then the Hungarian and Croatian teams made their way to Budapest! They made it in time to join the Youth Group's weekly Bible Talk. The Hungarian and Croatian teams prayed over each other. Then the Croatian team made it to Zagreb. This last Sunday we were all able to worship with our local churches!

We are all now in our cities and we all have apartments! God has been so good to us! We are excited to share about everything God is doing across all 5 countries!

First Service in Zagreb: Anticipation & Awakening

When we arrived for our first service in Zagreb on Sunday the whole church greeted us with incredible warmth. People waved flags, the worship team set a joyful soundtrack to our entrance, and each of us was gifted a T-shirt as a welcome gift. The energy was tangible – we launched straight into our first song, and the room simply lifted. The worship here is outstanding; local disciples pour their hearts into it. There was a real sense of disbelief and wonder in the room – a quiet, hopeful question hanging in the air: is this really happening? Is RevivEE finally here in Zagreb? The whole service felt like a taste of what’s ahead: excitement, expectation, and a hopeful anticipation for how God will work through this church in the city.

Overall, the team is settling into life in Zagreb really well. After a week of apartment hunting, nearly everyone is now moved in and finding their rhythm, which means we’re ready to become fully operational. There’s a strong sense of anticipation as we prepare to dive into ministry this week – stepping on the gas and doing our best to connect with as many people as possible. Please be praying that God opens doors to receptive hearts and that the local church can be deeply involved every step of the way, so together we can stand as one united body here in Zagreb.

Written by: Isaac Birr

After the service the congregation walked five minutes to the other building to keep fellowship going. We ate, drank, shared stories, and set out expectations for what RevivEE will do in Zagreb this year. From that first meeting I left buzzing with hope. This church has been waiting for us for five years, and their readiness shows – they’re longing for God to move here, and we’re honoured to partner with them in spreading the gospel.

Welcomed with Love: A New Chapter in Budapest

While we had been praying for this church for weeks, they had been praying for us for years. When RevivEE first launched, Budapest was the first city on the itinerary. Unfortunately, due to document issues, the team had to reroute its plans, and while God was certainly moving in the change of plans, delay after delay prevented RevivEE from landing in Budapest. Five years later, this year's team has the privilege of being an answered prayer. Hearing members of the church share about how special this moment was to them reminded us that this mission is much bigger than us. We are here, chosen by God for this specific moment, and we can't wait to see how God will move.

Lastly, we were able to meet the entire church this last Sunday at our first main service. We were able to experience the love and hospitality of this church once more and began forming connections to inspire and build up the church for the next ten months.

Written by: Delianne Ramos

The next week was spent adjusting to the city and searching for apartments. We all agree Budapest is beautiful – from its skyline to the river and architecture. Despite the language barrier, God provided quickly, leading us to apartments that met every need. Once again, our prayers were answered.

Once settled, we turned to encouraging the church and sharing our faith. We reached out on campuses, praying for boldness and open hearts to study the Bible. With the Youth Group, we had our first service where RevivEE led worship, followed by a church-wide picnic blessed with clear skies and great fellowship.

Building Faith & Family: Revivee Bucharest Begins

The new team is already building strong relationships with the younger Christians from the church and God encouraged us all by seeing some of them make steps towards boldly proclaiming the good news to their family, friends and even complete strangers. One of the brothers from Romania started posting Christ-related content on TikTok, while interviewing people on the street. God blessed his efforts and he had 5 people reaching out to him to study the Bible on that platform. Over the summer, 3 of them came to Bible talks!

God built my faith through another Hope Worldwide event with foster home kids, with activities revolving around communication. We were blessed to see how the kids were excited to come back and spend more time with disciples. One of our sisters used to be in such a foster home and a Hope team used to come to do activities with them. After the Hope project ended, she kept on thinking about those wonderful people that used to come and give pure love to them and she started praying to meet them again. God was faithful to her and she gave her the chance to see them again - she ended up studying the Bible and becoming a disciple. It is within our prayers that this Hope project will be able to show these kids a love unlike any other that'll move their hearts to seek God, even if years later!

As for accommodation, the Revivee team got to meet the love of the Bucharest church and the hospitality of Eastern Europe. Not only that but God blessed their faithfulness in trying to find apartments. On the first Friday of the season, after a week full of hunting for apartments, we all thought that we'll have no apartments and we'll have to use the next week too for apartment hunting. Through a miracle that only God could accomplish, by Sunday night, EVERYONE had an apartment, all signed for 10 months.

Faith Rising in Sofia: New Faces & God's Miracles

The team has landed and it has been amazing! After an overnight bus we land in Sofia, and Dima and Marina are there waiting for us! The unique thing about the Sofia team is a lot of us have been able to meet the church before. It was more of a reunion then meeting for the first time.

At our first picnic that we saw 5 people come from watching us. They saw the fun we had and wanted to join. Then our English Club and Bible Talk had another 4 visitors come out. God is bringing new people out and definitely moving out here. We are excited to see how much more God is going to do. Our First Sunday back was Awesome!! First we saw 11 visitors come out to church! This was super exciting and encouraging for the church.

I want to share about one of the obstacles we faced—and how God helped us overcome it! Last Saturday was packed: after a Young Disciples Call and outreach time, we learned that Dima, our church leader, had to stay home because his son was very sick. Since he normally leads worship and was scheduled to preach, we suddenly had big gaps to fill. But God provided! I was able to prepare a sermon, Don and others stepped up for worship, and our young disciples Kris and Kalin jumped in to help with AV, worship, and translation. What could have been a setback turned into a powerful, faith-building moment for the whole church!

We were able to have a NextGen Dinner Saturday. Lisa made a Delicious and Wonderful meal for everyone. We were able to hang out and catch up, then we got to plan for the next year different events we would want to do. It was a really encouraging time and I am excited for this year!

CHISINAU, MOLDOVA

The RevivAll Newsletter

From Many Nations to One Family

Something about us : leaders of our team Is Luisa (18) (from Ukraine, currently live in Chisinau) и Misha (22) (from Ukraine, last 6 years lived in Israel) and Sasha and Lina are leaders of the church who helps us (originally from Ukraine, now leaders of Chisinau church)

Sasha (20) and Renat (19) from Chisinau.

Sergey (29) Liza (25) and Tikhon (18) from Russia, Novosibirsk.

Anton (39) and Anya (40) originally from Russia, last years lived in Sweden.

Irina Vladimirovna (65) from Ukraine

Masha (22) originally from Ukraine, last years lived in Poland.

Anton moved to Chisinau with his family in February 2025 to serve in Revivee team. In June, he began studying the Bible with Viktor Ivanovich Kozhukhar, the father of our brother in Christ - Sergey. He is 86 years old and unfortunately cannot walk anymore. In the past, he was a football player.

Every Wednesday, they would meet with him, sing songs, pray, and study the Bible. On September 26, he repented, recognized Jesus as his Lord, and was baptized!

Written by: Elizaveta Marakhovets

Despite the fact that we are all different ages and from different countries, we have made a great team. We haven't spent much time together, and we don't know each other very well yet, but thanks to God's love, our team is filled with peace and understanding.

Many of us shared our feelings at the beginning, about how we were worried about how things would work here because there is war between our countries. And we are very glad to feel that we are one nation here. The nation of God. And we are here with one goal. To tell people about Christ. And that is the most important.

Grateful for the Start, Excited for the Future

As RevivEE 6.0 begins across Eastern Europe, we are filled with gratitude for how God has already moved in these first few weeks. From answered prayers to unexpected miracles, every city has seen God's hand at work. Yet this is only the beginning. The months ahead hold countless opportunities to spread the gospel, strengthen churches, and see lives transformed by Christ.

We are so thankful that we have been able to land safely in all of our countries. Above of else we are thankful that we have been able to connect with the churches. God has been working behind the scenes in so many ways. Now the work begins! It's time for us to go and plant seeds!

Please keep praying for open doors, receptive hearts, and unity among all the teams and local churches. Together, we believe God will continue to do immeasurably more than all we ask or imagine (Ephesians 3:20).

Thank you for partnering with us on this journey—your prayers, encouragement, and support mean more than words can say. The story is just unfolding, and we can't wait to share more of what God is doing in the next update!
