In every generation, God raises up men and women who decide that ordinary discipleship is not enough. They want to grow deeper, serve more boldly, and live a faith that multiplies.

That heartbeat—the desire to make this life count—is what inspired the new book *The 10X Christian* by ministry leader, author, and podcaster Rob Skinner.

After three decades of ministry, church building, missions work, and leadership development across the U.S. and abroad, Rob has distilled the most transformative lessons of his journey into a practical field guide for any believer who wants to live with greater purpose, clarity, and spiritual impact.

Why this book? Why now?

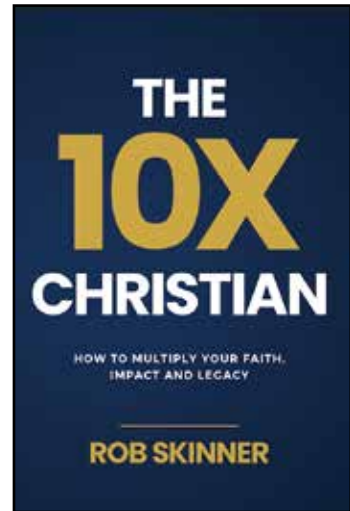

Christianity today faces two significant challenges:

1. Distraction – The digital age overwhelms us with noise, comparison, and spiritual drift.
2. Discouragement – Many disciples feel tired, under-supported, or unsure of how to rekindle their passion.

Yet the gospel spreads most powerfully when everyday disciples choose to live with extraordinary conviction.

A 10X Christian isn't someone unusually gifted; it's someone who:

- Refuses to settle for spiritual autopilot
- Multiplies disciples, leaders, and churches
- Lives with intentionality, courage, and joy
