who had kept the faith and kept the church functioning for over two decades.

This “Love” mission is a repeat call to disciples worldwide to come to SKN and support strengthening the local church and, through evangelism, growing its membership. It is also an opportunity to foster global fellowship through service and shared faith, as participants will engage in community projects, worship services, and cultural exchanges that strengthen bonds among believers from different backgrounds.

Last year’s event welcomed 21 visitors from Barbados, St Vincent & the Grenadines, Philadelphia, New York, London, and T&T and kicked off with a devotional, street evangelism for the Sunday service, a wellbeing forum hosted by the church, an event for the marrieds, a sightseeing tour, a talent expo and a party. The Sunday service had 57 in attendance and was followed by a lunch where everyone enjoyed warm fellowship.

If your heart is set on mission, and you’re ready to serve, spread the gospel, increase your faith, and experience another culture, then click here for more information and registration for the 2026 event.
