Registration is now open for the 2026 North American Church-Building Teachers Conference set to take place online or in person in Raleigh, NC, from September 17-19.

This year's theme is "The Teacher's Spiritual Life," a call for teachers and leaders to deepen their understanding of scripture and strengthen their ability to guide others in a rapidly changing world. As those entrusted with teaching God's word, we are reminded that faithful interpretation and application are essential for building up the church with clarity, conviction, and hope.

In a time marked by both opportunity and challenge, the role of the biblical teacher has never been more important. We are not only called to understand the scriptures ourselves, but to help others see how God's word speaks into every area of life, shaping hearts, renewing minds, and forming communities rooted in truth.
