for many years and previously summited Mount Kilimanjaro, Justin brings a unique combination of spiritual leadership, regional knowledge, and firsthand experience that will enrich the journey.

This is more than an adventure; it's a chance to build a lasting spiritual legacy. The climb will require perseverance, encouragement, humility, and trust—the very qualities that strengthen faith and family. Imagine standing side by side with your son or daughter as the sun rises over Africa from the roof of the continent, reflecting on the journey and the God who carried you. Few experiences offer such a powerful combination of challenge, accomplishment, and connection.
